Realstone_Travertino

Realstone Travertino reinterprets Italian travertine with the realism and performance of porcelain stoneware. The new 160x160 cm format of Realstone Travertino, in through-body porcelain stoneware with R10 finish, is offered in Cross Bianco and Cross Beige. The soft palette and 3D Ink technology give the surfaces a sober, sophisticated, and authentic look. Designed to coordinate with the existing range and Travertino Wall cladding, it enhances large spaces with visual continuity, technical quality, and natural aesthetics.
